Expanded Glass Technologies

Ecolite™

ECOLITE expanded glass granules are non-flammable lightweight aggregates, made from recycled post consumer glass, possessing excellent thermal and acoustic properties.

ECOLITE SELECTION TABLE

Application	Ecolite 100/300	Ecolite 250/500	Ecolite 500/1000	Ecolite 1000/2000	Ecolite 2000/4000	Ecolite 4000/8000
